<b>RANGE OF EXPERIENCE</b>	After several years as a geologist in the oil and gas industry, Dr. George began his medical career as a physician and co-founded LifeCare Management Service, LLC. As Medical Director, he was instrumental in the unique development of LifeCare Case Management, Ancillary Services, Direct Contracting, Quality Assurance, Physician Relations, Education and Training. As Chief Operating Officer, he developed many cost containment strategies, and during his tenure as Executive Vice President of Development was responsible for numerous hospital startups and acquisitions. With this diverse background in business development, investment management expertise, and clinical management, Dr. George has a unique combination of successful experience integrating businesses and medical management. LifeCare owned and operated 20 hospitals in 9 states and had 3000 employees who managed more than 1200 patients per day. In 2005 LifeCare Management was purchased by the Carlyle Group.
