

NEW MEMBERS OF THE REGISTRY

NOVEMBER 2008 - OCTOBER 2009

INTRODUCTION

The following is a report of new members added since the 2008 Seminar. This list covers both the Registry for College and University Presidents and the Registry for Senior Administrators and reflects growth in both active membership groups; the President's Division now has 151 members and the Senior Administrator's Division now has 97 members.

There is a continuing and increasingly successful effort to enlarge the Senior Administrator group in order to widen the coverage we have in all of the major administrative areas at the senior level.

The report lists for each person only the position and last place of service at a college or university.
